- True 600 x 600 dpi
- Print speeds up to 8ppm
- Up to 300dpi scan resolution
- Copy speeds of 8ppm at 300dpi
- Stand-alone fax with secure fax capability
- IEEE 1284-B Parallel Input Interface
- 100 Sheet Paper Tray
- 110VAC Operation

The Eclipse 390T Multifunction facsimile combines four of the most critical office functions into one fully integrated, compact, easy-to-use machine. Using the 390T, printing, copying, scanning and secure faxing can be accomplished easily and quickly while maintaining document security at all levels. Featuring print speeds of 8ppm, scanning at 300dpi and copy

speeds of 8cpm, the 390T can easily accomplish the most demanding task. With the optional fiber optic network interface, the 390T can share resources allowing multiple users to use its many capabilities. All Eclipse TEMPEST products are designed by National Security Agency Certified Engineers and come with a lifetime TEMPEST warranty.

## 390T Specifications
